

IMPACTO® TimberGuard™

Protective Chainsaw Glove

Model #TIMBERGUARD

- Can effectively stop a chainsaw running at 20 meters per second upon contact with the back of the left hand, providing exceptional protection.
- Lined with 20 layers of cut-resistant materials on the back of the left hand.
- Black cowhide leather offers exceptional grip and dexterity.
- Textured PVC palm and fingers offers abrasion protection on the palm and fingertips.
- Padded palm offers impact protection for use when operating a saw for extended periods of time.
- Full-finger style provides the ultimate hand protection on the job.
- Reflective strip on the back of the hand for increased visibility in low-light conditions.
- Neoprene wrist with adjustable hook and loop closure.
- Essential for use in the forestry industry and at home while operating a chainsaw.
