

IMPACTO® FOOT PROTECTION

Viscolas Anti-Fatigue Heel SPUR Cushions

- > Viscolas is the only visco-elastic polymer formulated for orthopedic application
- > Help reduce heel, foot, knee, leg and low back pain
- > Designed to attenuate skeletal shock, reducing potentially damaging forces on weight-bearing joints
- > Non-irritating, resistant to fungal and bacterial growth and can easily be cleaned with soap and water
- > Great for arthritis of weight-bearing joints and postoperative conditions
- > Used to provide relief from fatigue and pain or to help with conditions such as tendonitis, shin splints, plantar fasciitis or heel spur
- > Can be comfortably worn with low-cut dress shoes, sports shoes, work shoes and boots
- > Soft viscoelastic polymer won't "bottom out" with special surface tackiness adhesive to keep in place, moisture wicking fabric cover
- > Natural tackiness of components can be increased with an application of alcohol or decreased with a dusting of talcum powder
